

From Here to the Great Unknown

Presley, Lisa Marie; Keough, Riley

SYNOPSIS

Born to an American myth and raised in the wilds of Graceland, Lisa Marie Presley tells her whole story for the first time in this raw, riveting, one-of-a-kind memoir faithfully completed by her daughter, Riley Keough.

In 2022, Lisa Marie Presley asked her daughter to help finally finish her long-conceived memoir.

A month later, Lisa Marie was dead, and the world would never know her story in her own words; never know the passionate, joyful, caring, and complicated woman that Riley loved and grieved.

Riley got the tapes that her mother had recorded for the book, lay in her bed, and listened as Lisa Marie told story after story: about smashing golf carts together in the yards of Graceland; about the unconditional love she felt from her father, Elvis; about being upstairs, just the two of them. About getting dragged screaming out of the bathroom as she ran towards his body on the floor. About living in Los Angeles with her mother, getting sent to school after school, always kicked out, always in trouble.

About her singular, lifelong relationship with Danny Keough, and about being married to Michael Jackson, and what they had in common. About motherhood. About deep addiction.
