Alyce – with a Y – lives with her grandmother, the original Alice, having lost her father during the Great War. When a mysterious invitation to a tea party hits her square in the face, Alyce realises her grandmother's strange stories of a place called Wonderland might have some truth to them after all.

But the land Alyce finds herself in feels different from the Wonderland of her grandmother's stories – for it is trapped in its own war. The Sun King and the Queen of the Moon are fighting over a stolen hour, and soon Alyce is tasked with setting it right. With the help of the Hatter, the Cheshire Cat and a Sailor Fox, Alyce will have to solve Wonderland's problems and, eventually, find her way back home.
