### Abraham, Amelia

#### SINOPSIS

Shortlisted for the Polari First Book Prize 2020 'Eloquent, empathetic and passionate, this book will not just resonate with a new generation of queer people, but with all those who seek to be their allies. A brilliant book.' - Owen Jones  
Today, the options and freedoms on offer to LGBTQ+ people living in the West are greater than ever before. But is same-sex marriage, improved media visibility and corporate endorsement all it's cracked up to be? At what cost does this acceptance come? And who is getting left behind, particularly in parts of the world where LGBTQ+ rights aren't so advanced? Combining intrepid journalism with her own personal experience, in *Queer Intentions*, Amelia Abraham searches for the answers to these urgent challenges, as well as the broader question of what it means to be queer right now.

With curiosity, good humour and disarming openness, Amelia takes the reader on a thought-provoking and entertaining journey. Join her as she cries at the first same-sex marriage in Britain, loses herself in the world's biggest drag convention in L.A., marches at Pride parades across Europe, visits both a transgender model agency and the Anti-Violence Project in New York to understand the extremes of trans life today, parties in the clubs of Turkey's underground LGBTQ+ scene, and meets a genderless family in progressive Stockholm....
