### SINOPSIS

Ash is James Herbert's last and most controversial novel. It will make you wonder what is fact and what is fiction. Fear will let you in.

Terror will keep you there. David Ash, ghost hunter and parapsychologist, arrives at Comraich Castle - a desolate, ancient place with a dark heart - to investigate a series of disturbing events. An incorporeal power has been ignited by a long-ago curse, fed and now unleashed by the evil of those who once inhabited this supposed sanctuary - and by some who still do.

Yet their hour of retribution is at hand . . .
