

Bella Built a Robot

Guillain, Charlotte

SINOPSIS

Bella is missing her friends after a long summer staying at Granny's so decides to build a robot to play with. The robot is a fast learner but not much good at activities that need imagination. With the help of her new neighbour, Riley, they build a better robot.

But can the best robot in the universe do everything you want it to? A timely tale exploring artificial intelligence and the power of human imagination.
