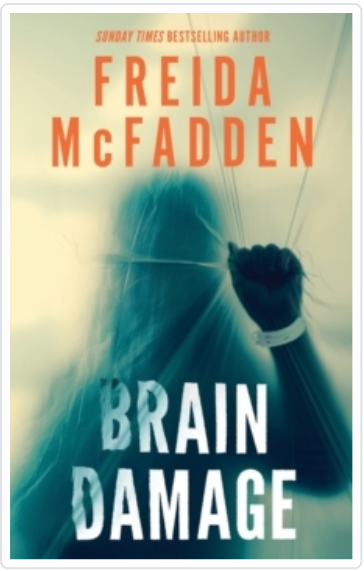
Brain Damage



SINOPSIS

A Page-Turning Psychological Thriller from the Bestselling Author of The Housemaid.

How can you survive the next attack when you can’t remember who wants you dead?***Dr Charly McKenna had the perfect life: a thriving dermatology practice, a luxury apartment overlooking Central Park, and a handsome husband who adored her. Until the night a bullet tore through her skull…and stole everything. Now Charly wakes in a rehabilitation hospital, unable to walk, speak, or remember her own name.

All she knows is that someone tried to kill her—and they may still be out there. As fragments of memory surface, so do unsettling questions about the people around her, including the attentive man who keeps appearing at her bedside. The truth of what happened that night lives somewhere inside her brain....
